

WE NEED YOUR HELP!

“CCF inspires people to take action over the thing they control – their own lives.”

Since 2005 Cambridge Carbon Footprint (CCF) has been helping local residents to live more sustainably, turning their concern about climate change into action.

We have run over 450 events,
helped over 17,000 people,
and abated over 9,500 tonnes of CO₂.

We **urgently** need funds to enable us to continue inspiring and supporting every person in Cambridge to live more sustainably.

A donation of

£5 would help us to run Repair Cafes and clothes swaps, helping prevent useful goods going into landfill

£15 would help us organise Open Eco Homes, helping to make Cambridge homes more cosy and energy efficient

£25 would help us hold food challenges, supporting people to switch to a more sustainable diet

£100 would help us to expand our work to reach diverse new groups, helping Cambridge move towards a low carbon future
